6. The proposal for ordering the two 250 K.W. sets required for this scheme along with some other sets has already been approved by the Govt. The C.E.(E) has stated that the construction work may be completed in 12 to 18 months from the date of sanction of the scheme. As the power position at Udipi is critical and as there is lot of public agitation, the C.E.(E) requests early sanction for the scheme. He has also requested sanction for the staff required for construction and operation purposes as set out in para 12 of the scheme report at p.7 of (M). Separate action may be taken on the staff proposals for which necessary extracts may be given to 'R' section.

b) Lone posts :- It is presumed that the Asst Engrs and the two Jr Engrs have not towing offices. If so only two posts may be sanctioned.

2 Central Office :- In the P.W.D, whenever a Sub Division is added on to a Division, usually one L.D. clerk is sanctioned for the division office for auditing the accounts of the Sub-Dn. If P.W.D press, they may be requested to justify the need for the post with statistics in support.

3. If the above suggestions are agreed to, the estimated Works out to Rs 15,900/- p.a. Since the sanctioned estimates of the Scheme include provision for the staff, F.D (Fin) only may see.
